A lightweight and flexible sneaker with ultimate comfort. Crafted with a breathable textile upper, finished with premium suede and nubuck details. This sneaker offers a modern look that fits both everyday and professional settings. The Freelock system on the side makes it easy to tighten and adjust the fit throughout the day.

An anatomically designed last ensures a perfect fit and superior comfort all day long. The lightweight PU midsole provides optimal shock absorption, while the thin, slip-resistant nitrile rubber outsole offers excellent grip on various surfaces.

Inside, a soft PU insole, covered with high-quality leather, guarantees effective moisture absorption, creating a fresh and comfortable foot climate throughout the day. Available in sizes 35-42.
