

## Sizes

35-48

### Certifications:

EN ISO 20345:2022 S7S FO SR HRO SC

Top-quality and waterproof sneakers with a durable upper material in textile with extra protection at the toe and heel. The shoes have a microporous membrane that keeps your feet dry even in the worst weather conditions. The side mounted Freelock system makes it easy to tighten and adjust the fit throughout the day. Tongue in neoprene for increased comfort.

The shoes have a NANO toe cap, which is stronger, lighter and thinner than other non-metallic toe caps. Flexible textile PS penetration resistance can withstand thin 3 mm nails. Anatomically designed insole made of a soft and shock-absorbing ETPU material, which in combination with the moisture absorbing textile closest to the foot provides superior comfort.

Slip resistant outsole made of nitrile rubber, while the midsole is a 2-layer PU of different densities for optimum shock absorption and comfort.

These shoes are suitable for work in building & construction, transport, maintenance, repair, warehouse, service and industry. Women's last in sizes 35-39.

Durable textile upper material in combination with the membrane, makes the shoes waterproof

Freelock lacing system on the side

Neoprene tongue adds to the comfort

NANO toe cap – lighter, stronger and thinner than other non-metallic toe caps

Flexible non-metallic penetration resistance in PS standard

Anatomically designed insole made of soft and shock-absorbing ETPU material

Innovative triple density sole construction ensures unique shock absorption

Slip resistant outsole in nitrile rubber

## Colors

## Upper material:

Textile

## Fit:

Wide

## Nail protection material:

Textile PS

## **Toecap material:**

NANO-composite

## **Functionality:**

Triple Density Outsole, Freelock, Padded shaft edge, Antistatic properties, ESD approved (confirms with IEC 61340-5-1), Heel reinforcement, Oil resistant outsole, Toe reinforcement, Heat resistant outsole, Waterproof, Breathable insole

## **Insole material:**

Textile, responsive ETPU

## **Sole material:**

Midsole in double layer PU, nylon shank, outsole in nitrile rubber

## **Lining material:**

Polyester

## **Shoe size:**

35-48
